ARCHITECTS' SPECIFICATIONS

Furnish and install Bulletin (or Directory) Board as manufactured by NELSON-HARKINS INDUSTRIES, 5301 N. Kedzie Avenue, Chicago 25, Illinois. Board shall be MODEL No. 130, SIZE 30 High, 24 Wide. MATERIAL shall be ALUMINUM (Stainless—Bronze—Aluminum) with background for CHANGEABLE LETTERS (changeable letters or cork tack back).

GENERAL INFORMATION

Opening wider than 34 inches requires two doors.

Changeable letters from ¼" to 2" in several styles are available for use with standard grooved felt covered changeable letter backs. See back page for letters.

The cork back bulletin board is ideal for posting with thumb tacks. Cork may be natural tan or covered with felt to match changeable letter backs. In all cases black felt will be used unless specified otherwise. Blue, brown, maroon, crimson and green stock colors.

ANY SIZE AVAILABLE

12" x 15"	20" x 26"	28" x 40"
15" x 20"	20" x 30"	30" x 36"
16" x 20"	22" x 28"	30" x 42"
15" x 25"	20" x 36"	32" x 44"
16" x 26"	24" x 30"	34" x 48"
18" x 24"	24" x 36"	36" x 48"
20" x 25"	24" x 40"	36" x 36"

WHEN ORDERING: Advise model number, material, size, background, elevation and mounting.
